# Changing General Text Settings in PowerBI (View > Customize Current Theme)

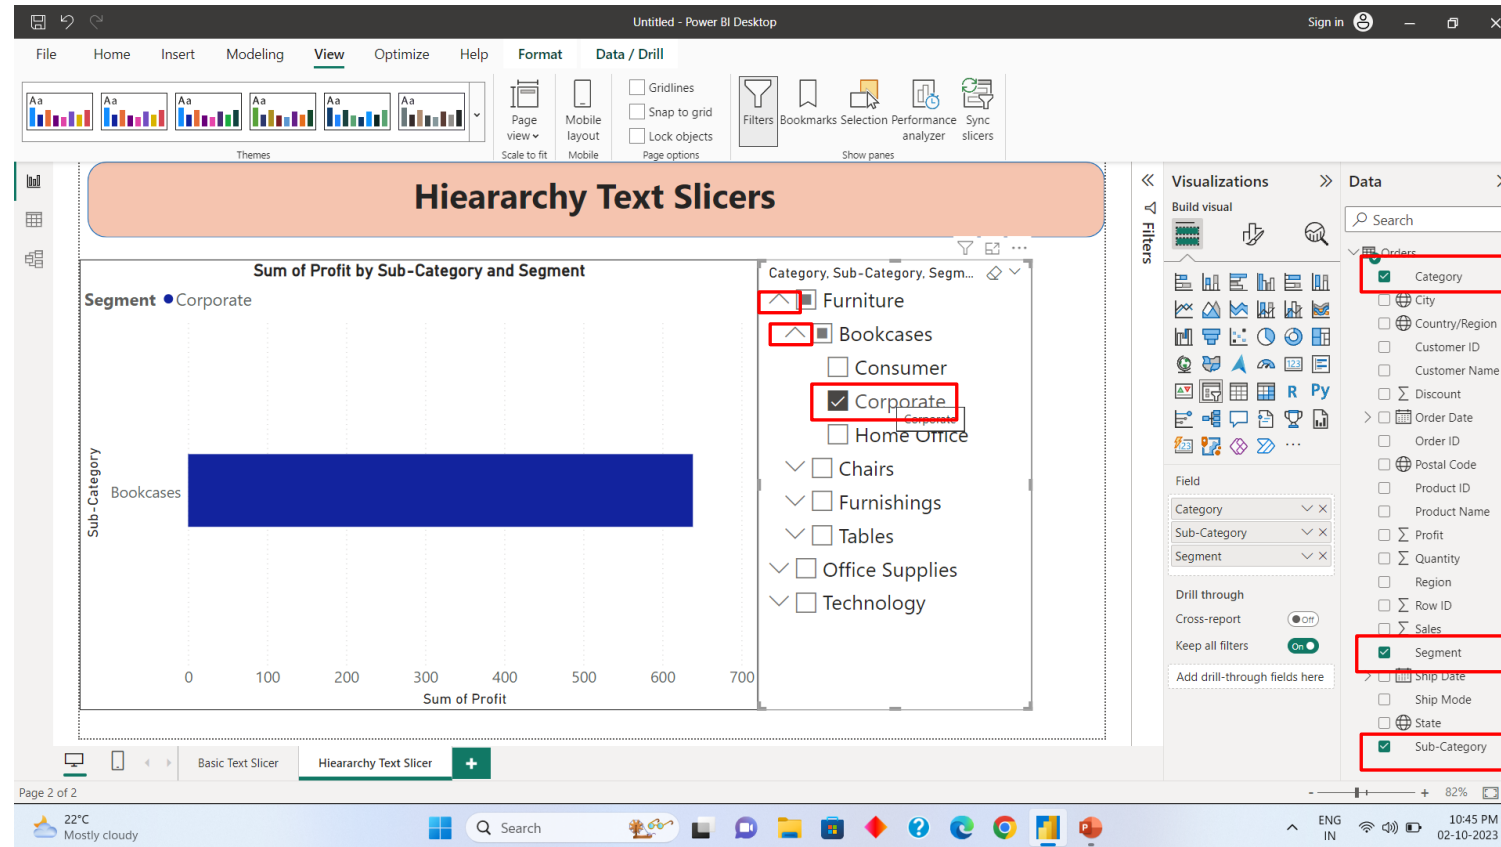

# Text Slicers

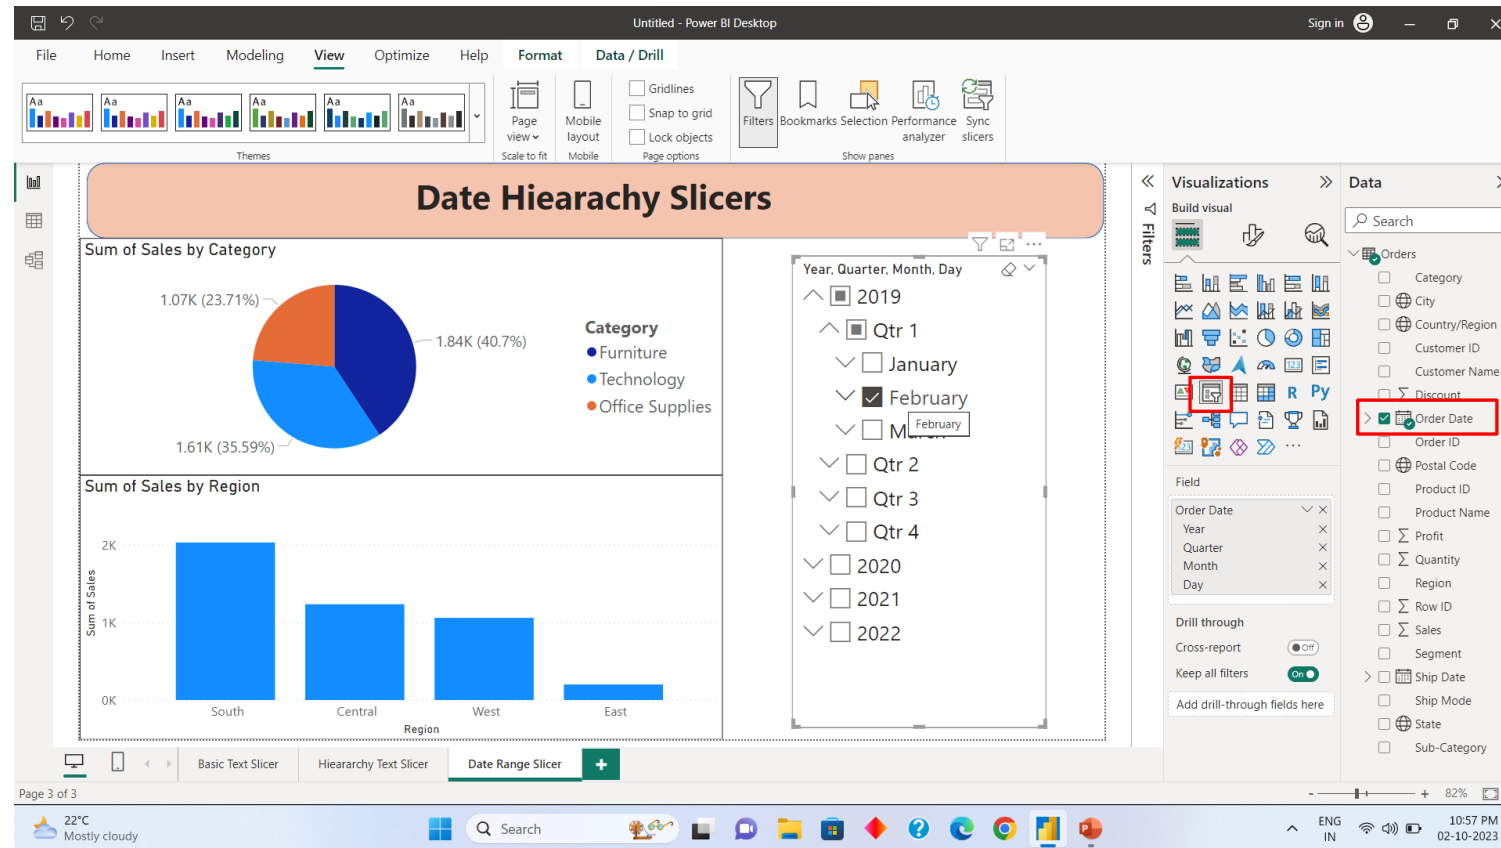

# Formatting text slicer

# Hierarchy in Text Slicers

# Date Hierarchy Slicers

# Date Range Slicers

The screenshot displays the Power BI Desktop interface with a report titled "Date Hierarchy Slicers". The main view contains two visualizations: a pie chart titled "Sum of Sales by Category" and a bar chart titled "Sum of Sales by Region".

**Sum of Sales by Category Data:**

Category	Sum of Sales	Percentage
Technology	836.15K	36.4%
Office Supplies	719.05K	31.3%
Furniture	742K	32.3%

**Sum of Sales by Region Data:**

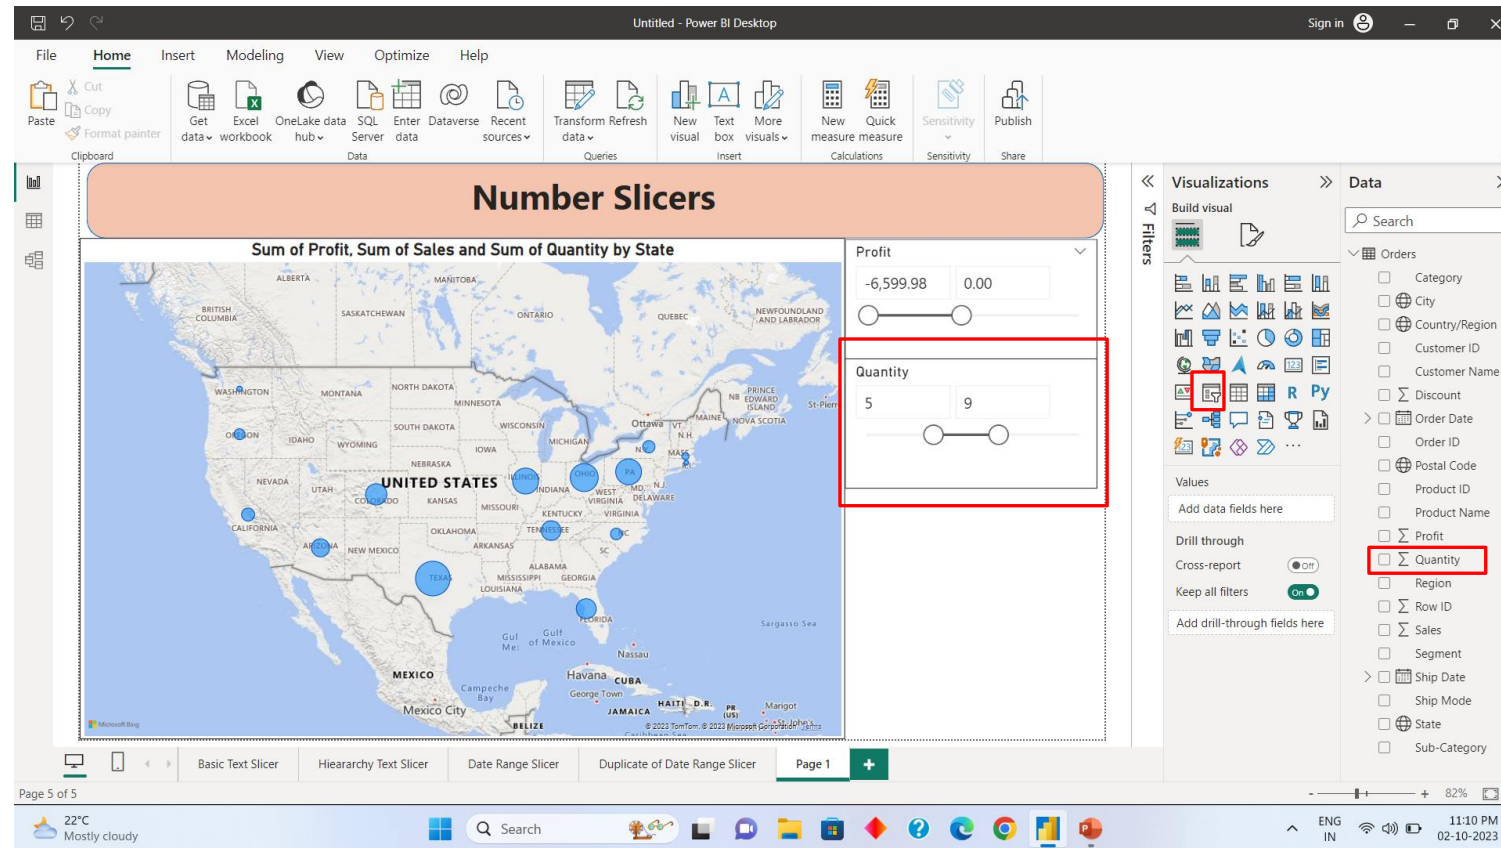

Region	Sum of Sales
West	~0.75M
East	~0.65M
Central	~0.55M
South	~0.45M

A date range slicer for "Order Date" is displayed, showing a range from 03-01-2019 to 30-12-2022. The slicer settings on the right indicate the style is "Between".

The left pane shows the "Visualizations" and "Data" panes. The "Order Date" field is selected in the "Data" pane. The "Visual" pane shows the "Between" style selected for the date range slicer.

The bottom status bar shows "Page 4 of 4", "22°C Mostly cloudy", and the system clock "11:00 PM 02-10-2023".

# Number Slicers

# Thank you
